

Orchestra/Band

Orchestra and Band students needing instruments, call the school to schedule a pick up time for tomorrow (Wednesday) between 9 AM -1 PM. Here is what you need to do:

- 1) Call the school and tell them what time you want to come to pick up your instrument.
- 2) When you arrive, go to the front office and knock on the door. An administrator will meet you there and walk you to the band building to get your instrument.
- 3) Make sure you also take home your music folder and/or book!
