

## Laptop reservation

With distant learning beginning Monday March 30, 2020, we understand not all students have access to a smartphone, table or computer. Therefore, should your student need access to a digital device to engage with schoolwork, we have a limited number of laptops that will be made available to loan to students in need. (1 per household). Laptops must be reserved. To reserve a device for your family, you must call the front office Tues - Wed from 9 to 1pm. Laptops will be available for pick up on Friday March 27 between 9:00 & 1:00. Pick up instructions will be given when you call to reserve a device. You will need a driver's license & a waiver may also need to be signed.
